Pre-Opening Site Visit Guidance for New Charter Schools

Overview

The Indiana Charter School Board ("ICSB") is committed to working with the leadership of each newly authorized charter school to ensure the realization of the high performing school articulated during the application process. A charter school's ability to achieve its vision and mission depends a great deal upon what happens before the doors of the school ever open. Some of the most complicated tasks occur during a charter school's pre-operational planning period.

In accordance with Exhibit D of the Charter Agreement, ICSB staff members will visit the Charter School Building for an inspection and review prior to the time that the Charter School is scheduled to commence instruction (the "**Pre-Opening Site Visit**"). The Pre-Opening Site Visit will occur, at the earliest, fifteen days prior to such date. The Pre-Opening Site Visit will be guided by the Prior Action Checklist as set forth in Exhibit D of the Charter Agreement.

Pursuant to Paragraph 2.3 of the Charter Agreement, the Organizer has agreed that it shall not provide instruction to any student attending the Charter School until and unless: (a) the Organizer issues a written statement to the Executive Director, attesting to the Organizer's completion in a timely manner, of all Prior Actions, and (b) the Executive Director shall have confirmed in writing the completion of such Prior Actions (referred to as the "**Prior Action Completion Letter**"). The Pre-Opening Site Visit will allow the school to demonstrate the work that has been done to prepare for a successful school opening and will also serve as a check-point to ensure that all Prior Actions have been completed.

This document provides guidance to the school in preparation for the Pre-Opening Site Visit.

Prior Actions Check-In Conference Calls

Approximately 7 months prior to the first day of school, the ICSB will hold an in-person meeting or conference call with the school's Board Chair, School Leader (if identified), Start-Up Coordinator, and Educational Management Organization (EMO) Representative (if applicable). During the call, ICSB staff will walk through the Prior Action Checklist and describe the specific requirements for completing each Prior Action. In addition, ICSB staff will ask the Board Chair or Start-Up Coordinator to provide a status update on the school's facility, insurance coverage, and start-up funding. During this call, the date of the Pre-Opening Site Visit will be scheduled.

Monthly in-person meetings or conference calls will be conducted thereafter for the next 4 to 6 months, in order for ICSB staff to assess the progress made by the school and to address any issues or concerns that may arise.

Site Visit Overview Conference Call

The ICSB will hold a conference call with the school's Board Chair, School Leader, Start-Up Coordinator and EMO Representative (if applicable) approximately 1 month in advance of the Pre-Opening Site Visit to provide detailed guidance for the site visit and to address any questions or concerns that the school might have. During the call, ICSB staff will ask the school to provide a status update on the completion of each item listed in the Prior Action Checklist. In addition, ICSB staff will confirm the date, time and location for the Pre-Opening Site Visit. This will enable ICSB staff to better prepare for the Pre-Opening Site Visit and will reduce the time needed for the visit.

Prior Action Checklist

The Prior Actions consist of seven areas of critical importance to school success: Governance and Management; Staffing; Curriculum and Instruction; Students and Parents; Operations; Finance; and Facilities, Fixtures, & Equipment. In order to receive final approval from the ICSB to open its doors, the school must demonstrate its satisfactory completion of each Prior Action item. The deliverables for each of the seven areas are described in the

Prior Action Checklist, which is included in this document as **Appendix A**. The ICSB requests that all documentation described in the Prior Action Checklist be submitted to ICSB staff no later than **14 days prior** to the Pre-Opening Site Visit. This will enable ICSB staff to review the documentation and identify any potential issues in advance of the visit. We suggest that the Start-Up Coordinator utilizes Drop Box for easier sharing of large files. Whenever updates are made to Drop Box, please send an email to ICSB staff notifying us of new files, so that we may review these in a timely manner.

Pre-Opening Site Visit

Attendees

The following persons must attend the Pre-Opening Site Visit meeting:

- Board Chair
- School Leader
- Financial Manager
- Operations/Business Manager or Start-up Coordinator
- (If applicable) Representatives from the Educational Management Organization (EMO)
- ICSB representatives

Additional Board members are welcome to attend; however, please be aware of Open Door Law requirements with respect to quorum.

Location and Format

The Pre-Opening Site Visit will be held at the school site and will commence with a tour of the school facility followed by an opportunity for the school to demonstrate how the Prior Actions have been met. The final portion of the meeting will be reserved for discussion of the school's progress. A Pre-Opening Site Visit will typically take two hours.

Prior Action Completion Letter

The school must submit a letter of assurance to the ICSB, signed by the Board Chair and School Leader, stating that it has completed all of the Prior Actions. This letter may be delivered in person to ICSB staff at the time of the Pre-Opening Site Visit. See **Appendix B** for a sample letter of assurances.

After the Site Visit, the ICSB will issue a Prior Action Completion Letter if the school meets all of the criteria specified within the Prior Action Checklist. **Schools that have not completed all Prior Actions may be required to delay opening, potentially to the following school year.**

Pursuant to Paragraph 15.5c of the Charter Agreement, the ICSB reserves the right to terminate the charter at the time of the Pre-Opening Site Visit if it is clear that significant deficiencies exist which lead ICSB to question the viability of the school. Such revocation is subject to the notice and cure provisions set forth under Paragraph 15.6 of the Charter Agreement.
